About this Floor Plan

The Amity is a thoughtfully designed two-story corner townhome that perfectly blends space, style, and low-maintenance living. Offering 4 bedrooms, 2.5 baths, a first-floor primary suite, a private courtyard, an oversized two-car garage, and 1,782 sq. ft. of well-planned living space, it delivers all the comfort of a single-family home—without the upkeep. At the heart of the home is a bright, open-concept main living area that seamlessly connects the kitchen, dining, and great room—ideal for everyday living and effortless entertaining. The kitchen is designed to impress with an oversized center island, abundant 42" cabinetry, generous solid surface countertop space, stainless steel appliances, and plenty of natural light, making it both functional and inviting. A private first-floor primary suite creates a true retreat, featuring a spacious en-suite bath and walk-in closet—offering convenience and privacy without the need for stairs. Upstairs, three additional bedrooms, a full bath, a laundry room, and a spacious loft provide flexible space for family, guests, or a home office. Step outside and unwind in your 24' x 15' brick-paved private courtyard, perfect for relaxing, entertaining, or dining al fresco. The oversized two-car garage adds extra storage and everyday convenience. As a resident of Eden Crest, you'll enjoy resort-style amenities just steps from home, including a sparkling zero-entry pool, shaded cabana, BBQ grills, a fully fenced dog park, scenic walking trails, and a playground. With its first-floor primary suite, flexible layout, and lock-and-leave lifestyle, The Amity lets you spend more time doing what you love—whether that's lounging by the pool, hosting friends in your private courtyard, or simply enjoying life on your terms.
